Member Action Course...

Are you aged 14-19?

Do you volunteer in your community?

Are you interested in finding out more about working with young people?

Then the Member Action Course is for YOU!

What is the Member Action Course (MAC)?

Member Action Courses aim to develop young people's skills and confidence to allow them to fully participate as young citizens. The MAC is based around 17 core skills that are transferable, i.e. they form part of an individual's personal development and are adaptable to other settings, to life, work and educational situations.

The MAC is a 10 week programme aimed at young people aged between 14 and 19 years who are already involved in their communities e.g. volunteering at youth clubs or on management committees or being part of a decision making structure.

It has an **ASDAN accreditation** and can also be counted toward Duke of Edinburgh skills.
